Education

D.Min. — Talbot School of Theology — *Growing and Multiplying Churches* (In Process 2020-)

Th.M. — Dallas Theological Seminary (1992, *cum laude*)

B.A./Ed. — Eastern Washington University (1985)

Background

Growing up in a Christian home in Spokane, Washington, I put my faith in Christ as a young boy. Over the years I reaffirmed my commitment to Christ through rededications and ongoing discipleship in my local church. I began to sense a call to ministry during my college years. After working a couple of years in the tele-communications industry, I attended Dallas Seminary, where I met Michele, who graduated from there with a degree in Christian Education. Shortly after graduation, we married. I've been fortunate to serve in two long-term pastorates, where the Lord has used and sharpened my ministry skills and given me a pastor's heart for those under my leadership.

Family

(L to R) Connor is studying geology at Fresno State. Chris—Michele and I are celebrating 28 years of marriage this year. Cady graduated from Fresno State in May 2019 and now works at a local art store after studying at a Bible school in England last year. Michele works for both a water brokerage company and a local engineering firm. Charis works at the same engineering firm.

Leadership Assessments

- ♦ **DISC**—Dominance, Steadiness, Influence, Conscientiousness
(Focuses on the task at hand in a steady, relational fashion)
- ♦ **Strengths Finder**— Harmony, Belief, Responsibility, Significance, Focus
(Encourages cooperation while taking his own responsibilities seriously)
- ♦ **Myers-Briggs**— ESTJ: The Executive; ISTJ: The Logician (Internal/External split)
(Excels in providing practical solutions through advance thought and planning)
- ♦ **Enneagram**—9w8
(Cares about people while getting things done)

Hobbies

During my free time, I love spending time with Michele and the kids. I also enjoy working on house projects, traveling, hiking, camping, climbing, kayaking, and reading.
